Dear Sir/Madam:

Applicant hereby files this summary of the examiner interview of Nov. 5, 2004, in reply to the notice of Interview Summary dated Nov. 15, 2004. During the interview, the undersigned inquired as to whether any changes made in the drawings filed on March 29, 2004 were regarded by the Examiner as introducing new matter. The Examiner confirmed that the changes are regarded as new matter. The undersigned stated that applicant may either argue that any changes do not constitute new matter, or may alternatively file substitute formal drawings that do not introduce new matter. Applicant subsequently filed replacement formal drawings without introducing new matter on Nov. 15, 2004.

Respectfully Submitted,
